## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Managing Member  
Transact Capital Securities, LLC  
Richmond, Virginia

We have audited the accompanying statement of financial condition of Transact Capital Securities, LLC (the "Company"), as of December 31, 2014, that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statement. The Company is responsible for this financial statement. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial condition of Transact Capital Securities, LLC as of December 31, 2014 in accordance with accounting principles generally accepted in the United States of America.

**TRANSACT CAPITAL SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENT**

**Note 1—Organization and nature of business**

**Organization** – Transact Capital Securities, LLC (the “Company”), a wholly owned subsidiary of Transact Capital Partners LLC (the “Parent”), was incorporated in the state of Virginia on August 4, 2004. The Company is a registered broker-dealer under the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority, Inc. (“FINRA”). The Company intends to act as an introducing broker engaging primarily in M&A Advisory, and debt and equity placements.

The Parent is a structured business transfer, business valuations, and growth services company. The Parent’s liability, as the sole member of the Company, is limited in that in any proceeding brought by or in the name of the Company, the Parent shall not have liability for damages other than for willful misconduct or a knowing violation of the criminal law.

**Note 2—Summary of significant accounting policies**

**Basis of Presentation** – The preparation of the Company’s financial statement in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions as to reported amounts and disclosures in the financial statements. Management believes that the estimates used in preparing the financial statements are reasonable and prudent. Actual results could differ from the estimates included in the financial statements.

**Cash and Cash Equivalents** – For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with maturity of three months or less to be cash equivalents.

**Risks and Uncertainties** – The Company places its cash and cash equivalents on deposit with financial institutions in the United States. The Federal Deposit Insurance Corporation (“FDIC”) provides insurance coverage for up to \$250,000 for substantially all depository accounts. The Company from time to time may have amounts on deposit in excess of the insured limits. As of December 31, 2014, the Company had no uninsured deposits.

**Income Taxes** – The Company has elected to be treated as a limited liability company for federal, state, and local income tax purposes. Accordingly, all items of income, expense, gain, and loss of the Company are generally reportable on the tax return of its Parent. Management has evaluated all tax positions that could have a significant effect on the financial statements and determined the Company did not have any uncertain income tax positions at December 31, 2014. The Company’s income tax returns since 2011 remain open for examination by tax authorities. The Company is not currently under audit by any tax jurisdiction.

**Fair Value Measurements** – The carrying amounts of total current assets approximates fair value because of the short-term nature of these instruments or because the contractual interest rates associated with these assets are considered to be at market rates.

**TRANSACT CAPITAL SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENT, CONTINUED**

**Note 3—Related party transactions**

The Company is charged an allocable portion of certain costs, including employee compensation and benefits, occupancy, depreciation of fixed assets, and general and administrative costs, all incurred by its Parent on behalf of the Company. These costs are allocated to the Company using various measures that management believes are consistent with the types of costs covered by an expense agreement with the Parent.

**Note 4—Regulatory requirements**

As a registered broker-dealer, the Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule ("Rule 15c3-1"). Rule 15c3-1 requires the maintenance of minimum net capital of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 further requires that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. In addition, certain advances, payment of dividends and other equity withdrawals are subject to certain notification provisions of Rule 15c3-1.

At December 31, 2014, the Company had net capital of \$22,499 as defined under Rule 15c3-1, which exceeded the requirements by \$17,499. The Company's ratio of aggregate indebtedness to net capital at December 31, 2014 was .00 to 1.

The Company is exempt under Rule 15c3-3(k)(2)(i) from preparing the Computation for Determination of Reserve Requirements Pursuant to Rule 15c3-3.

**Note 5—Subsequent events**

Management has evaluated subsequent events for potential recognition and/or disclosure in the December 31, 2014 financial statement through February 23, 2015, which was the date the Company's financial statement was issued.

## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Managing Member  
Transact Capital Securities, LLC  
Richmond, Virginia

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Transact Capital Securities, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Transact Capital Securities, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provision") and (2) Transact Capital Securities, LLC stated that Transact Capital Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Transact Capital Securities, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Transact Capital Securities, LLC's compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
